IT'S QUITE THE TOPIC NOW...

Fishie: Hey hey everyone!!! xD
I hope your enjoying Plastic [Plastic xD] Girl~! It was really fun to read but a bitch to edit~! xDDDD Man those sfx's..... just evil..... ANYWAYS~ WHOOT PLASTIC GIRL!!! xD
Actually though I think the editors have changed it, it use to say 'plastic' on it xD Plastic Girl... PLUSTIC girl... xDDD; I can't get over it no matter how many times I hear it ^^;; PLUSTIC!!! ....errrr.... moving on..... ^^;
I hope you really enjoy this series like I did. Shiraishi has the most awsum stories I reckon ^^ The blushes are always so damn cute!!! Especially when they are blushing!!! KYAAAAA!!! xD Hahah, now you know which admin is at fault for being such a Shiraishi hog ^^;; As soon as I see something new by her in Shoo-Comi, I have to gobble it down~! I think Tonari is the only project we haven't started yet, but we sure have dibs on it xP But man. I'm so sad to finish this though. I want the Pierre x Maya antics to go on forevereverrr~~~~ Would I want to edit it forever though? *Looks away* xDDD

Oh yea, this is just for you kyan ^^
If you come up with something during a contest, that would be surprisingly strange.
You awsum translator with spelling (I actually wrote spelling here xD) problems xDDD

LONG LIVE PIERRE!!!! Pierre x Maya FTW!!! Though I do like Ryu as well... xDDD

Kyome: Dangit, fishie, did you really have to put that quote there!?!? xD But yes. That sentence was compiled out of like 3 mistakes/typos that I made while translating PLUSTIC (watch, I'm gonna be saying "plastic" instead of "plastic" from now on xD) and also another manga..... which quite a few of you have been dying to read, so look forward to that. WAAAAA! I LOVE PI-CHAN AND MAYA!!! They're just sooo cute!!! Accck, I just LOVE Shiraishi's blushing hotties. Especially Natori-san (Akuma story 2). Can't get his cute blushing face outta my head!! >x
(p.s. Forgive me for translating the French words wrong in any way.)

Hey everyone! PLUSTIC (XDDD) Girl is a few pages away from finishing! I hope you liked the series :) Hehe. Golly. This series was pretty hard to edit (although I only edited one, and cleaned another) It's really not that hard, but... it's quite a pain to take out the SFXs since there's a lot of re-drawing and cloning involved. I think there are times that I thought, "screw this" and just put a note somewhere in the page, but then again... I enjoy editing so might as well take them out. It's a learning experience too. Oh well. There's really no use in complaining about it now. Overall, I had fun doing Plastic Girl. Hope you guys enjoyed the series! Don't forget to visit Intercross and thank them for giving you this awesome manga to read. I love you all!

<3 Nica

Holla peoples! As my co-editor (XD) said, Plastic Girl is almost ending! So sad TAT <- doesn't want to say goodbye to Pierre. I do want to say goodbye to the sfx, all the cloning and re-drawing though... *remembers chap she edited* Aside from that this was really an enjoyable series to edit and read and squeal about XDD Shiraishi Yuki's definitely one of my fave mangakas~! Look forward to more of her works from us! With this I end my ramble. I have to go finish typesetting the other pages lol XD Don't forget to thank and give your continued support to Intercross! It's the fans who makes us more awesome 8D Thanks for the reading~~!

WOW! WE GOT OUR PRODUCTIVITY ON FOR THIS PROJECT! I DON'T KNOW WHY I VOLUNTEER FOR SHIRAISHI PROJECTS. THEY'RE SO HARD! XD BUT HER ART IS REALLY NICE AND HER FEMALE LEADS ARE SO BIPOLAR I LURVE THEM SO!!! AND THE DISHES!!! GOD PERRE IS SO DROOL WORTHY!

SORRY I'VE GONE CRAZY FOLKS. AN ENTIRE PACK OF 'COOL MINT CREME OREOS GAVE THEIR LIVES IN THE EDITING OF GH1 AND I'M SUFFERING FROM SUGAR INSANITY AND THE AFTERMATH OF FOOD POISONING (NOT THE COOKIES' FAULT BTW) I HOPE YOU LIKE THIS SERIES AND THIS MANGAKA! ENJOY!!!
-SEXE

Fishie: Once again, thanks for reading this AWSUM series~! Though, I don't want to edit a Shiraishi series for awhile now. ^^;;; The sfx's... *Draws mushrooms in a corner* xDDD
Dammit, why isn't PLUSTIC longer!? (And you were just complaining about editing it as well xD;;;) I WANT MORE~!
This is all your fault Kyome!

Look forward to more Shiraishi projects from Intercross since I practically rape them as soon as they come out xDDD

Kyome: unnnnnh, my fault again?? Why not the usual you-know-who's fault??? D
There fishie goes again, off to attack every Shiraishi manga there is. Eh-heh, I guess I totally understand how she feels xD
Anyways, thank you fabulous editors for doing such a FANTASTIC job with this manga! I hope you readers out there have enjoyed this as much as we did!! ♥♥♥

We hoped you enjoyed this translation! As always, we discourage anyone trying to sell these chapters for their monetary gain. Please support the mangaka by buying this volume when it becomes available in your area.

Please contact Seraphimgrl (Fishie: yes, I included myself xD) for permission to use these scans for anything other than your own personal use or our forum or website!

Fishie: Hehehe~ Yes, to Sexe's rant more~ xD
